

英文寫作分析報告

生成時間：2025-05-10 22:20:24

第1部分：文章內容統整：

本文主要描述作者目睹同學受霸凌卻因缺乏勇氣而袖手旁觀的經歷，以及事後深深的懊悔與自責。作者透過描述霸凌事件的經過以及被霸凌同學轉學後自己內心的煎熬，突顯自身在關鍵時刻的膽怯，並以此為契機，反省自身的不足，並立志日後要積極幫助受欺負的人。

第2部分：內容分析：

【敘事方式說明】：本文採用第一人稱敘事，以時間順序為線索，詳細描述了作者目睹霸凌事件的全過程，以及事件發生後作者內心的掙扎和反思。作者先描述自己對霸凌的無知和懦弱，接著描寫目睹霸凌事件的過程，再敘述事後被霸凌同學轉學以及自己內心的悔恨，最後以「微弱的哭聲」作為轉折點，點明了作者日後積極介入的決心。

【佳句統整】：

* "The faint sound of his cries has been forever etched into my mind, making it the most vivid and regrettable sound in my memory." (微弱的哭聲永遠烙印在我的腦海裡，成為我記憶中最鮮明也最令人後悔的聲音。) 這句話精準地表達了作者內心的悔恨與深刻印象。

* "what I ended up doing at that time felt like an act of betrayal to him." (我當時所做的，感覺像是對他的背叛。) 這句話展現了作者深刻的自責，並將自己的不作為與背叛畫上等號。

* "The faint cries turned into a personal reminder for me, and anytime when someone is being teased, these sounds always remind me that I should stand up for those in need, and prevent another tragedy from happening." (微弱的哭聲變成我的個人提醒，每當有人受欺負時，這些聲音總是提醒我應該挺身而出幫助需要幫助的人，並防止悲劇再次發生。) 這句話展現了作者從錯誤中學習，並將其化為未來行動的動力。

第3部分：文章優、缺點：

【優點】：

- 敘事清晰流暢：文章以時間順序敘述，邏輯清晰，讀者容易理解事件的經過和作者的情緒轉變。
- 情感真摯深刻：作者真誠地表達了自己的悔恨和反思，讀者能感受到作者內心的掙扎和痛苦，產生共鳴。
- 主題明確深刻：文章探討了霸凌和旁觀者效應等社會議題，具有教育意義。

【缺點】：

- 情節略顯單薄：事件的描寫略嫌簡略，缺乏細節的刻畫，讓讀者對霸凌事件的具體情況了解不夠深入。
- 缺乏細節描寫：對被霸凌同學的性格和遭遇著墨不多，使得人物形象不夠鮮明。

【整體回饋】：

本文是一篇誠懇的反思性文章，作者透過親身經歷，展現了自身在面對霸凌時的懦弱和事後的深刻悔恨。雖然情節略顯單薄，但情感真摯，主題深刻，具有警示作用。建議作者可以添加更多細節，使文章更具感染力。

第4部分：文法與用詞錯誤：

1. 原文：**During one afternoon**, when I was just minding my own business,...

改進方式：One afternoon, when I was just minding my own business,... 或 One afternoon, while I was minding my own business,... (將"During one afternoon"改為更自然的表達方式)

2. 原文：...I saw one of my classmates being picked on by some other classmates who were constantly **disruptive**.

改進方式：...I saw one of my classmates being picked on by some other classmates who were constantly **bullying him/her** or **harassing** him/her. (將"disruptive"改為更貼切的詞彙，明確指出霸凌行為)

3. 原文：...**seldom had I heard** about him afterwards.

改進方式：...I seldom heard about him afterwards. (調整語序，使句子更自然)

4. 原文：This all could have changed if I had had the courage to step in, but peer pressure got the best of me and made me make **a choice** that I have regretted to this day.

改進方式：This all could have changed if I had had the courage to step in, but peer pressure got the best of me and made me make **a decision** that I have regretted to this day. (將"a choice"改為"a decision"，使表達更正式精確。)

第5部分：文法、單字替換：

1. 原文：constantly disruptive

建議替換內容：constantly harassing/bullying

簡要說明建議原因："disruptive"指的是破壞性的，不夠精準地描述霸凌行為，"harassing"或"bullying"更直接地表達霸凌的行為。

2. 原文：picked on

建議替換內容：bullied/harassed

簡要說明建議原因："picked on"比較口語化，"bullied"或"harassed"更正式且準確地描述霸凌行為。

3. 原文：teasing

建議替換內容：bullying/harassment

簡要說明建議原因："teasing"範圍較廣，可能包含玩笑成分，"bullying"或"harassment"更能突顯霸凌行為的嚴重性。

4. 原文：minding my own business

建議替換內容：going about my business/attending to my own affairs

簡要說明建議原因："minding my own business"口語性較強，"going about my business"或"attending to my own affairs"更顯得正式。

範例文章參考

The fluorescent lights hummed a monotonous tune above the classroom, a stark counterpoint to the escalating whispers and snickers. I watched, paralyzed, as Liam, usually so quiet and unassuming, became the target. A barrage of petty insults, tossed like

stones, chipped away at his already fragile composure. My stomach clenched. I knew I should intervene, should shout, should do *something*. But the chilling weight of inaction settled upon me, a leaden cloak of fear and the insidious whispers of conformity. I remained silent, a coward disguised as a bystander.

Later, during the hushed concentration of the composition exam, a choked sob sliced through the quiet. It was Liam, his shoulders shaking subtly beneath his desk. The image of his suppressed grief, a silent scream trapped within the confines of the exam hall, seared itself onto my memory. It was a visceral, shameful tableau.

He left a week later, transferred to another school, swallowed by the anonymity of a new environment. News of him faded, but the sound of his stifled weeping remains – a persistent, haunting echo in the chambers of my conscience. It wasn't the cruelty of the bullies that stays with me, but my own cowardice, my failure to extend a hand, a word, a simple act of solidarity. Liam's silent tears became a testament to my own complicity, a stark reminder of the betrayal of unspoken support.

That haunting sob is my constant companion now, a visceral alarm bell that rings whenever I witness injustice. It compels me to act, to intervene, to break the silence, to ensure that no one else suffers the isolating agony of unheard cries. The memory is painful, but it is also a powerful catalyst for change, a grim lesson learned too late, but hopefully not in vain.
